

Stay Engaged with Your Medical Alumni Association

Dear Alumni,

Your connection to Northwestern and the Medical Alumni Association (MAA) community is very important to us. We hope to make it easy for you to engage with your alma mater in personally rewarding ways, both on campus and online. Alumni Weekend is one example: This event is not just for those in reunion years—all are welcome! We offer continuing medical education courses, networking and mentoring opportunities, a Women in Medicine Tea, and tours of our campus and facilities. Additionally, we offer robust programming for our Half Century Club (HCC) members—those who are past their 50-year reunion—including our Have Coffee and Conversations forum, Pancakes and Perspectives, forums on the history of the medical campus, and our HCC dinner to close out the weekend.

In the past eight years, we've traveled around the country to where you, our alumni, are and held nearly 175 MAA events. Additionally, our digital monthly newsletter is a great resource for news about the medical school and your fellow alumni.

Come visit us when you are in town—we would love to show you around campus! Let me know if there is anything we can do to better involve you. We are eager to hear about your experiences as a Northwestern alum and learn how you want to stay connected. Email me at babette.henderson@northwestern.edu.

Attend Alumni Weekend

Alumni Weekend is a great way to become or stay involved with your alma mater. Join us for this festive, two-day weekend event comprised of compelling activities focused on connecting with former classmates, new friends, and all of us at the medical school. ***Open to all alumni, and specifically celebrating the reunion classes ending in 5s and 0s at Alumni Weekend 2025, May 2–3.***

Virtual Events

The past several years, we have offered exceptional virtual events featuring leading Northwestern faculty. They present on the cutting-edge work being done at the medical school on topics ranging from heart health, Parkinson's disease and exercise, augmented intelligence, digital health, scholarships and medical education, and women in medicine. Is there a topic that you want to hear more about? Let us know.

Host an Event in Your City

We are grateful to alumni willing to host gatherings at their homes, a restaurant, or an event space, and can help you with planning. These events range from breakfasts, lunches, dinners, cocktail receptions, museum tours, and more. You become an extension of our team—let us know if you would like to host an event or connect with other alumni in your area.

Your Medical Alumni Association Board

Northwestern's Medical Alumni Association Board fosters among its members a spirit of loyalty, professional camaraderie, mentoring, and philanthropy. One of the board's objectives is to ensure Northwestern's continued growth and success as a leader in medical education, patient care, and research. If you would like to learn more, contact us at medalum@northwestern.edu.

Participate in an Alumni Committee

Board committees convene throughout the year and welcome interested participants. We invite you to volunteer with one of our MAA committees:

- **Alumni and Student Connections**
- **The Business of Medicine**
- **Half Century Club**
- **Inclusion and Allyship**
- **Women in Medicine**

Get Involved in Our Half Century Club

For alumni past their 50-year reunion, this club provides community and fellowship unique to our most distinguished alumni. HCC members receive invitations to exclusive alumni gatherings, special Alumni Weekend programming, and discounted or advance registration opportunities. Membership is automatic!

Connect with Students

feinberg.northwestern.edu/connect-with-students

Alumni Physicians of Feinberg

This unique program connects alumni with students who want to learn about the lives of physicians—what a “day in the life” looks like; insights on how to balance work, family, and life; and challenges faced after graduation. This is especially valuable to students making their specialty choice.

Alumni and Student Network

Formerly Virtual Heart to-Hearts, this platform allows you to make valuable connections, share

your expertise, and guide the next generation of healthcare professionals by connecting with current students. You can also use this platform to reconnect with fellow

alumni and stay engaged with your alma mater. If you are interested in mentoring students but can't regularly make it back to campus, this is a great way to get to know our students and offer virtual advice. Use the QR code to start or update your profile.

Dinners with a Doc

Alumni treat a small group of students to dinner at a restaurant or café of the alum's choice for an intimate conversation to discuss careers in healthcare while developing mentoring relationships. Students gain invaluable insight from seasoned alumni, who in turn learn from students about the current state of their alma mater.

For more information on any of our mentoring programs, please contact Allison Glibowski at allison.glibowski@northwestern.edu.

Additional Mentoring Opportunities

Northwestern Network Mentorship Program

This program facilitates meaningful professional mentor/mentee relationships between the University's accomplished alumni and students.

Alumni from all classes may participate as volunteer mentors and/or mentees. Mentoring relationships are meant to provide valuable support and guidance to students and alumni as they navigate their careers.

Mentor Circles

Through mentor circles, alumni can mentor small groups of students and alumni for a one-time or recurring discussion on a professional subject of their choosing.

Northwestern Externship Program (NEXT)

Host a Northwestern student at work! Become one of the hundreds of industry-leading alumni around the world who host a Northwestern student for a one-day job shadowing experience. NEXT matches current Northwestern students with alumni across a variety of industries. Alumni registration opens in the fall of each year.

For more information on these additional mentoring opportunities, please visit mentor.northwestern.edu.

Update Your Contact Information

Have you moved recently? Do you have a new email, phone number, or business? Unsure if we have your correct information? Reach out to us! Please ensure that we have your current email address on file so that we can send you the MAA Newsletter and keep you informed of other alumni news and events.

Send Us Your News

We love to hear about your professional and personal pursuits and achievements and can share these updates with your fellow alumni. Send us your stories and photos!
